Stepping Stones Visits

the Turtle Back Zoo

The Arc of Essex County welcomed students back to its Stepping Stones School on Thursday, September 5th and everyone has been busy learning ever since. They kicked off the beginning of the school year with a much anticipated field trip to the Turtle Back Zoo for the annual Elks Festival.

On Monday, September 23rd the students had fun observing the animals, visiting in the bird aviary, and riding the train and carousel. They enjoyed hot dogs and ice cream for lunch after receiving bracelets from a local Girl Scout troop and winning prizes by playing various games.

Hosted annually, the Elks Club and the Turtle Back Zoo welcome more than 1,400 students with special needs. The zoo donates the entire day to the cause, including food and prizes.

The Arc of Essex County's Stepping Stones School is a Department of Education approved private school for students with disabilities serving children ages 3-10. Located in Roseland, NJ, the school is designed to meet the developmental and educational needs of children with cognitive impairments such as Down syndrome and other students with similar educational and developmental needs. For more information, or to request a tour and assistance with an out-of-district placement, contact Sue Brand, Director of Early Childhood and Education at (973) 535-1181 ext. 1271 or sbrand@arcessex.org.

The Arc of Essex County's 6th Annual Uncorked & Uncapped: Wine, Beer, and Food Tasting Experience took place on Thursday, October 3rd at The Wilshire Grand Hotel in West Orange, NJ. Low Cost Fee- for- Service

**COMMUNITY
HEALTH LAW**

Guardianship Services

This article is a reprint from the Community Health Law Project.

WHAT: Uncontested guardianship matters for clients who are seeking guardianship of individuals with intellectual/developmental disabilities. To obtain guardianship, the person must be deemed incapacitated by the respective Surrogate's Court through the legal process.

Low cost fee-for-service program for people not eligible for services through the NJ Department of Developmental Disabilities (DDD). This low cost program is specifically available for those between the ages of 18 and 21 (requests can be started at age 17 and a half to be effective at age 18) and people over 21 not currently receiving services from DDD. Income qualifications apply to the person for whom guardianship is being sought.

Full and/or partial guardianships covering residential, educational, financial, medical, vocational and/or legal matters are available.

NOTE: Legal services that are less restrictive, such as powers of attorney and medical directives, may be appropriate for persons not deemed incapacitated. The goal is to have people responsible for and involved in their life decisions whenever possible. CHLP can also provide such services on a fee-for-service basis.

WHERE: For people residing in Essex, Hudson, Passaic and Union Counties.

COST: A flat fee of \$1,800 to CHLP for representation in uncontested guardianship proceedings. Fee information can be requested for other services mentioned above.

\$500 fee to CHLP for incidental costs such as court filing fees, postage costs, photocopies, etc. Any portion of the \$500 fee remaining at the end of the case will be returned to the client.

Clients will be solely responsible for paying any fees required by court appointed attorneys, medical and other experts, or other potential costs.

SUPPORTING DOCUMENTS REQUIRED: An affidavit regarding income and assets and statements from two physicians, psychologists or other medical professionals who have examined the person within 30 days of filing with the court are required. CHLP will also need to review existing legal documents, such as powers of attorney and medical directives. CHLP attorneys will need to meet with the person(s) applying to be guardian(s) as well as the person to be subject to guardianship (separately in most cases).

FOR FURTHER INFORMATION: Contact Erika Kerber at ekerber@chlp.org or Susan Eisenhauer at seisenhauer@chlp.org or call 973-275-1175.

The Arc Remembers Shakia Reeves

Also known as KeKe to friends and staff, Shakia joined The Arc of Essex County's Opportunity Zone Day Program in March of 2014. Best remembered by her infectious smile, she also took great pride in her appearance, making sure to always look her best. She loved listening to music and dancing. The first on the dance floor and the last one to leave, parties were Shakia's favorite activity.

The Arc of Essex County conveys its condolences to the Reeves family and Shakia's extended Arc family during this difficult time. If you would like to make a donation to The Arc of Essex County in Shakia's memory, please visit www.arcessex.org/donate and note that your donation is in memory of Shakia – an acknowledgement of your tribute will be sent to family members.
