Community Inclusion, Recreation, & Respite Catalog

May–August 2023

Welcome!

The Arc of Essex County's Community Inclusion, Recreation, and Respite Services offer a variety of activities for people with intellectual and developmental disabilities ages 18 through adulthood. The Arc's programs and services are designed to help participants learn and enhance skills through socialization and fun.

Programs fall under two categories: Community Inclusion or Group Respite. Community Inclusion is comprised of enrichment and recreation activities that enhance participation in the community. Group Respite opportunities teach valuable skills while also giving caregivers a short-term break to help relieve stress, restore energy, and manage family life. The Arc has a service for each individual's interests.

Respite and Community Inclusion services are offered through the Supports Program, or families can elect a self-pay option. If you have any questions regarding these services or how to enroll, please contact us (see below).
